By organization of Farmers Clubs that the older generation may also improve & study & discuss rural problems —

Part of our programme is to secure the best leaders along educational lines to address us at the larger centres of North York & are starting our campaign at Newmarket — Could you address us on some subject

C. A. Prodie,

President, Farmers' Club,

Newmarket.

Dear Mr. Prodie:

If it is at all possible I will certainly try to go to address your Farmers' Club at Newmarket on Saturday evening, June 8th. I am not absolutely yet as to whether I may not have to leave that afternoon for the United States. If so, I hope it might be able to arrange another evening that would be suitable for you before the close of the session. If you will let it stand this way I will meantime put down the engagement as a fixture.

Yours sincerely,

President.

G. A. Brodie, Esq.,

Newmarket.

Dear Mr. Brodie:

I have put down Saturday evening, the 8th of June as the date on which I am to go to Newmarket. I suppose that if I take the Metropolitan car early in the evening I can get out in time. Also when would I be able to get back that night because I have an engagement the next Sunday in Toronto ?

Yours sincerely,

President.
